Workshop Chairs:
Selim Aksoy, Turkey
Nicolas Younan, USA
David A. Clausi, Canada

Program Committee:
Sergey Ablameyko, Belarus
Jon A. Benediktsson, Iceland
Bir Bhanu, USA
Elisabetta Binaghi, Italy
Dirk Borghys, Belgium
Lorenzo Bruzzone, Italy
Isabelle Couloigner, Canada
Fabio Dell'Acqua, Italy
Jenny Du, USA
Wolfgang Forstner, Germany
Paolo Gamba, Italy
Ayman Habib, Canada
Juha A. Karvonen, Finland
Philippe Maillard, Brazil
Eckart Michaelsen, Germany
Paul Rosin, UK
Michel Roux, France
Sebastiano B. Serpico, Italy
Anne H. S. Solberg, Norway
Uwe Stilla, Germany
James C. Tilton, USA
Florence Tupin, France
Cem Unsalan, Turkey
Xuezhi Yang, China

CALL FOR PAPERS

5th IAPR Workshop on Pattern Recognition in Remote Sensing (PRRS 2008)

December 7, 2008
Tampa, Florida, USA
(in conjunction with ICPR 2008)

Invitation

The International Association for Pattern Recognition (IAPR) Technical Committee 7 (TC-7 Remote Sensing) invites you to the 5th IAPR Workshop on Pattern Recognition in Remote Sensing (PRRS 2008) (http://www.iapr-tc7.org/prrs08). This workshop is held in conjunction with the prestigious International Conference on Pattern Recognition (ICPR 2008) (http://www.icpr2008.org). The workshop is also co-sponsored by the IEEE Geoscience and Remote Sensing Society (GRSS) (http://www.grss-ieee.org).

Scope

This workshop has established itself as an important event for scientists involved in the combined fields of pattern recognition and remote sensing. These two research fields have always overlapped, but the large volumes of remote sensing data now coming from last generation sensors require new advanced algorithms and techniques for automatic analysis. This one-day workshop will be the ideal means to spread and exchange experiences by international researchers.

Venue

The workshop will be collocated with ICPR 2008 in Tampa. With pristine beaches, numerous parks, arts and science museums, and vibrant night life, Tampa Bay is a popular destination for tourists.

Paper Submission

Papers must be written in English, have no more than four (4) double column pages, and should adhere to the ICPR conference submission guidelines regarding the paper format (see Paper Submission at the ICPR 2008 website http://www.icpr2008.org). Reviewing will be double-blind: authors will not know the names of the reviewers of their papers, and reviewers will not know the names of the authors. Details on paper submission are available on the workshop web site. In submitting a paper to PRRS, the authors acknowledge that no paper substantially similar in content has been or will be submitted to another conference or workshop during the PRRS review period. *However, duplicate submission of a paper to both PRRS and ICPR will be allowed provided that one submission is withdrawn if both are accepted. Notice of duplicate submission must be indicated on the paper.* Accepted papers will be indexed in IEEE Xplore.

Important Dates

Paper submission deadline:	June 30, 2008
Notification of acceptance:	July 31, 2008
Final papers due:	August 8, 2008
Early registration deadline:	August 8, 2008
